

Curriculum Vitae Leeds

A vibrant leader of the North

Bio

A results-driven team player, I am made up of 792,525 proud and diverse 'Loiners'. I am dotted with inspirational museums, provoking theatres and beautiful Victorian arcades including Europe's largest indoor market, all making me a vivacious city to live and work in.

With a long history in trading - from the wool trade in the 17th century, through to the financial industries today - I am proud to be a motivated, buzzing city, leading the Northern economy. I am a strong self-starter and launched brands ranging from Jelly Tots through to Marks and Spencer.

As well as being England's fourth largest urban economy, I am the UK's largest legal and financial centre outside London - these industries are worth £13 billion to the economy. I am also the UK's third largest manufacturing centre with tens of thousands of employees across companies in engineering, printing and publishing, food and drink, chemicals and medical technology.

Despite the challenges of Covid-19, I offered thousands of job opportunities across my robust sectors of Logistics, Customer Service and Administration in 2020.

Education

4

universities including Leeds University, which ranked in the top 25 in the UK with six Nobel laureate graduates.

70
